

We would like to thank all of our children and parents for the efforts that have gone into World book day this year—the costumes we have seen throughout the day have been fantastic and the children have had such fun dressing up as their favourite characters.

Your child will come out of school with a £1 book token today which can be used at a variety of book stores on a selection of books. This is a great opportunity to take them to the shops and let them select a new title for them to read!

Measles

There are new measles vaccination clinics every Saturday in March in Brierley Hill and also at additional locations across the borough.

These will be offering free measles, mumps and rubella (MMR) immunisation to children aged from 3 years and 4 months and anyone born from 1970 onwards.

Appointments do not need to be booked. People can just turn up on the day. These clinics are a great opportunity for easier access to immunisation for those who haven't received 2 doses of their MMR vaccine. A porcine free vaccine is also available on request

Please click on the below link which shows dates and locations of the clinics - there are 3 clinics available this Saturday (9th March)
