This afternoon the children have been involved in an assembly regarding the school streets initiative that we are hoping to be involved with in the near future.

They were talked to about the work that we would be doing with the council and the police to tackle parking issues around our school. Further information will follow for parents and our school community.

The children were very excited to see Striker, the school streets mascot!

### Tuesday's mixed match against Fairhaven

Unfortunately, the team lost 5-0 but they showed good team spirit and never gave up right up until the final whistle!

### Thursday's girls team match against Brockmoor

The girls played extremely well, with lots of enthusiasm, winning 10-0 with two players scoring a hat trick each!

Thank you to the parents and carers for their continuing support, we look forward to seeing you on the side line next week when we play Belle Vue.

Today, a group of 8 children were selected to take part in a football tournament at the Wolves training ground! We are yet to find out the results but we know that they've had a fantastic day - and even got to meet Wolfie!!

On Wednesday 22nd March we took some children from year 3 to St James Parish Church in Wollaston, to attend a Creative Prayer Worship Forum. The children took part in a number of activities including bracelet making, graffiti prayers, learning a prayer in sign language and how to make a trinity ring.

We have been talking to the children a lot about energy saving tips, as just like all of us at home, we are needing to think of ways to have money at school. These things include turning off the lights when not in the room, not leaving appliances on standby, washing clothes at low temperatures and walking instead of using the car. All these small changes can make a huge difference!
