Brook school values

I'm sure you're aware that our school values are:

Respect Pride Challenge Independence Resilience

Each of these values are an integral part of our curriculum- we encourage our children to demonstrate them in all that they do.

We would encourage parents to speak to their children about the values and how they can also show them at home as well as at school.

I am very proud when I walk around school and hear our children using their manners, holding doors open for others, showing pride in their work, challenging themselves by working hard even when things are hard and also having the courage to complete work independently.

If you notice your children showing any of our school values, please praise them and encourage them to continue to do so at home, in school or even at a club.

A great start for babies and young children

Everyone wants the best for their children, but it can be hard to know what to do as a parent in the early years. That's where HENRY comes in.

The HENRY programme is free to join and helps you give your child the best possible start in life.

About the programme

The programme is for parents or carers of children aged 0 to 5 years old. It is free to join.

Everyone wants the best for their children, but with so much conflicting advice it can be hard to know what to do for the best as a parent, especially in the early years.

The HENRY Healthy Families: Right from the Start programme is running locally. Join the thousands of families across the country who have benefited from the support and tips it provides for young families.

Research shows that the key ingredients to ensuring babies and young children have a healthy start in life are:

- Parenting confidence
- Physical activity for little ones
- What children and families eat
- Family lifestyle habits
- Enjoying life as a family

The programme covers these 5 themes across 8 weeks and provides everything you need to help get your little one off to a great start.

Weekly sessions

Each week helps you provide a healthy, happy, supportive environment for the whole family.

Week 1 - Decide what changes you want to make and set your own goals

Week 2 - How to juggle life with young children so you all get what you need

Week 3 - How to respond to children's needs without giving in to all their demands

Week 4 - Positive mealtime tips for a happy family - reducing mealtime stress for everyone

Week 5 - Ideas for active play to help children learn, develop and stay happy

Week 6 - Food groups, food labels, portion sizes for under 5s, first foods, and snack swaps

Week 7 - Understanding and managing your child's behaviour for a happier home

Week 8 - Celebrate your success as a parent and plan the future for your family

"I'm so glad I did this programme. Do it!"

"This was the best thing I could possibly have done to help me be a better mum"

What do I get on a HENRY programme?

Every parent joining a HENRY programme receives a HENRY toolkit which includes everything you'll need during the programme and helpful resources to use in your family.

The HENRY toolkit will help you give your child a great start in life, get the whole family involved, and keep track of how well you're doing.
