

School reports

Tonight your child will be coming home with their school reports - please check their bag!

School reports highlight children's achievements whilst also giving next steps for their learning. You will also find out who your child's new class teacher is.

As always, we have mixed the children's classes.

If there is anything you would like to discuss regarding your child's school report, you can make an appointment on Wednesday 3:30—5pm by calling the school office.

There is no obligation to attend this, it is only if you have any worries or concerns.

Summer sports camps

Spaces are filling up fast for our summer sports camps but we do have some availability across both weeks! Please call the school office if you would like to book your child a place!

Mrs Fellows has had great fun this week taking part in the 'Beat the Streets' challenge with her daughter and she'd love you to join in the fun too!

Last week we sent home the 'Beat the Streets' cards and map, which you simply have to register and then download the app.

From here, go for a walk as a family each night and beep your card against the 'Beat the Street' boxes, found on lampposts in our local area.

Please make sure you join the Brook Primary team and start earning points today- you could help us to win some exciting prizes!

Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

Reading is a huge focus at Brook. Studies have found that those who read for pleasure have higher levels of empathy, greater self-esteem and are better able to cope with difficult situations. Regular reading also has such a positive impact on children's vocabulary, understanding, oracy and writing.

We encourage all of our children to continue to read widely and for pleasure during the Summer holidays, so why not join the **Summer Reading Challenge** at your local library.

How the Challenge works

- Children sign up through their local library and receive a Gadgeteers collector poster (The challenge will launch in libraries in England and Wales on **Saturday 9th July.**)
- Children set a reading goal and borrow and read library books of their own choice during the summer, collecting special stickers to complete their poster and extra incentives along the way.
- Library staff and volunteers are on hand to advise and run family-friendly activities.
- Children who complete the Summer Reading Challenge are presented with a certificate and/or a medal.

The official Challenge website hosts digital rewards, author videos, games and more for children to enjoy all summer: www.summerreadingchallenge.org.uk
